Free Choice Maths

Write your number bonds to 10 and/or 20 and related subtraction facts
e.g.

0+10=
10-0=
1+9=
9+1=
10-9=
10-1=
2+8=
8+2=
10-8=
10-2=

Ask Mum or Dad to test you!

Write 2 or 3 word problems and solve them!

e.g.

If Sam had 20 biscuits and he at 5, how many would he have left.

"I know it is 15 because he had 20 and ate 5, 20-5=15!"

Ask Mum or Dad to fill a jar with some items. Estimate how many there are, what is your estimation? Now count…how close were you? Now test Mum or Dad, fill the jar with some and get them to estimate first, then count! Who was the closest, you or them?

Write numbers in words from zero to twenty

Make a fraction wall

Choose a two digit number with your number cards, how many ways can you represent it? Now a three digit number…

Bake with an adult, what maths did you do? Write down all the maths you did!

Find numbers in your house, which numbers did you find and where?

Skip count in…

2s to 24 or 5s to 60 or 10s to 120 or 3s to 36

Write them out as repeated addition, Make a number line, Show groups of…, Write your times tables, Do the BBC Supermovers, e.g.

https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-2-times-table-with-bridget-the-lioness/zrrx92p

There is a 'Supermovers' for each times table.

Ask Mum or Dad to put all of their loose change in a bowl. Can you find all of the different coins and group them together. Can you find all of the 1p coins and count them? The 2p coins and count in 2s? The 5p coins and count in 5s etc

Do 100!

- 100 jumps on a trampoline
- 10 x star jumps, 10 x hops, 10 x lunges, 10 x skips, 10 x paces, etc to 100
- Count out 100 items
