Dear Applicants

Results Day and Enrolling for Durham Johnston Sixth Form

You will receive your GCSE results on Thursday 20th August 2020. Getting enrolment right is really important to us and we aim to support you in making informed and considered decisions for your future study. Parking on-site will be available but as we have to consider numbers, entrance to the building will be for students only. Your safety is our priority.

Thursday 20th August

- 1. Please return any textbooks and your locker key.** Please put your name on a piece of paper inside the cover of returned books and put your locker key in an envelope with your name, Form and locker number.
- 2. Collect your results.** Once you have collected your results, it is important that you refer to the flowchart (below) carefully about what to do next. If you have any queries about your place or courses with us, please come to the Hall at the allotted time (based on your surname) for an individual interview. It will be helpful to write down any questions you might have in advance of the interview. We will be able to advise you about your best fit for subjects and answer any general questions about life at our Sixth Form. Then, enjoy the rest of the day, celebrating your achievements.
- 3. Destinations.** Wherever you choose to continue your studies, we are interested in finding out about your choices and supporting you in your future endeavours. Please don't leave without letting staff at the Destinations Table know your plans.

Your first day with us at Durham Johnston will be Friday 4th September, where you will meet your new year group. We welcome students from a large number of different schools and, as experienced Durham Johnston students; you have a very important role in making these new people feel welcome. Make sure you read our Sixth Form information pack before the start of term; you will receive one of these when you enrol with us.
