What is

WRAP AROUND?

JC Sports is now running our Wrap Around services at Bishop Tufnell. But what is wrap-around childcare?

Wrap-around childcare is after-school care for primary school-aged children in England during term time, running from 3.15-6.00pm, Monday-Friday.

This provision is aimed at helping parents access simple and affordable childcare, allowing them to work the hours they want; stress and hassle-free.

Monday- Friday Every Week!

From 2nd September 2024

At JC Sports we go above and beyond to provide enriching and active opportunities for children outside of school hours.

A typical club will include an initial game or activity, such as a 'circle' or 'tag' game, alongside a selection of snacks and drinks. This is followed by a more in-depth activity run by our sports coaches - often a specific sport such as football, basketball, tennis, dodgeball, and more!

We likewise provide hot food for children at every club, with the menu varying throughout the week, all serving healthy and nutritious meals for your children.

JC Sports wrap-around allows your children to stay healthy, happy, and social hassle-free!
