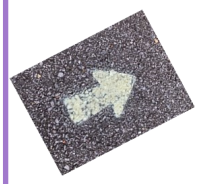
Welcome back Year 1

We are so excited that you are coming back to school. We have missed you so much and can't wait to see you again. Your classroom may look a little different but we have so much fun learning planned that you have so you have lots to look forward to. See you very soon
Love from Mrs Patterson and the Key Stage 1 teachers xx

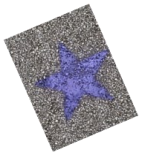
Coming into school is an adventure!

Have you seen signs or labels in shops showing you where you can stand? This is to keep you safe and make sure you keep a distance from other people if you can. We have our own special labels for Year 1, look out for them when you come!! Just for the moment adults are not allowed to come into school when they drop you off but we have a special 'Hug Zone' you can use to say goodbye!

When you get to school, see if you can find .....

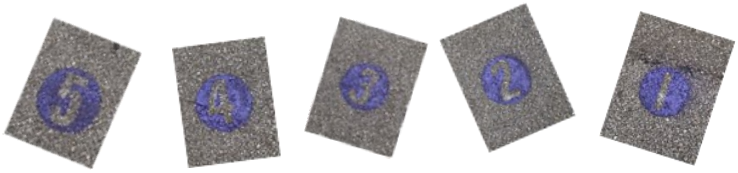


Arrows showing you the right way to walk



Stars showing you where to stand

The Hug Zone, where you can give your adult a Squash and a Squeeze to say 'see you later'



Can you BLAST OFF to the Hug Zone with a 5, 4, 3, 2, 1?

Washing hands

Year 1 children are great at washing their hands! We will help you if you need us to. Don't forget to wash them before you leave your house to come to school.

Feelings

It's been a very strange time over the last few weeks when school has been shut. Some children feel excited, happy or a little worried after being at home for such a long time. That's OK! We feel like this too, but we will help and look after each other because that's what we do best.
At the door, your teacher will meet you and she will have a special smile and wave for you!
