Oak Class Weekly News

Week beginning: 14/09/2020

Acorns PRIMARY SCHOOL

This Week

This week, we have benefitted from the fine weather to do lots of outdoor activities.

On Monday, some of the class took part in a 'Rugby Tots' session with our coach, Ian. It was great to do some rugby again, and the children tried hard and enjoyed practising their skills and playing games. Connor was really impressive with his throwing and catching skills.

In PE, we have been outside running, jumping, throwing and aiming at targets, all linked to a 'fairground' theme.

We enjoyed a walk in Avenham Park on Friday, with a break in Miller Park, where we sketched the fountain, and did a leaf identification activity.

We have also been getting back to a normal timetable this week after having followed a 'recovery curriculum' to help the children settle in.

A big thank you to families who have had extra pressure recently with looking after children who have needed to isolate and get tests. We appreciate this has been extremely difficult.

Next Week...

On **Friday 25th September**, we will be having a virtual coffee morning in class. Please look for a letter early next week, and if you wish to participate, please let us know.

Reminders

Latest COVID advice is on our website:

https://www.acorns.lancs.sch.uk/parents/self-isolation-resources/latest-updates

Please also look out for the letter in bags/sent in the post.

If you need to get into contact, please use this email address:

cworsley@acorns.lancs.sch.uk

Many thanks.

And Finally…

Stars of the Week

Luke

for trying so hard when writing up his weekly news

Well done!
