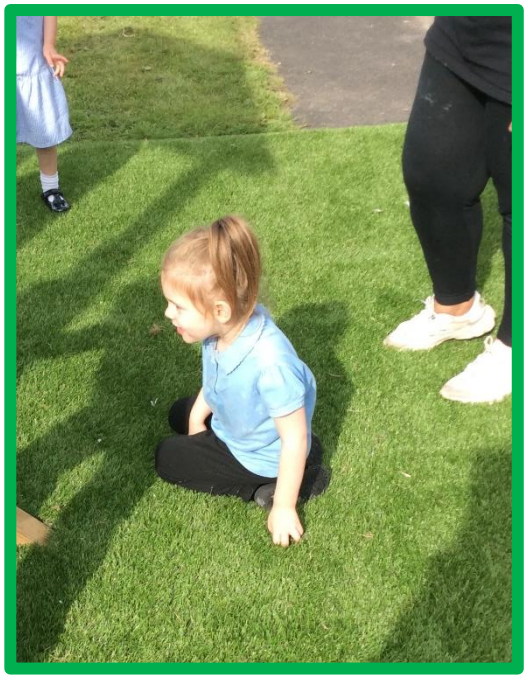
WB 20/9/21

Acorns PRIMARY SCHOOL

Individually we grow, together we thrive

This week, we made tiger biscuits in the kitchen. We decorated them using orange and black icing. They were delicious!



We have also been enjoying the sunshine playing on the Trim Trail. We have climbed up the stairs and ropes, balanced and crawled through the tunnel.

We also had another session with Rugby Tots! We continued to work on our skills holding the balls through completing an obstacle course. We also had to collect the tags. Coach Ian was very impressed!
