Bearwood Primary & Nursery School

Learning, Enjoying, Succeeding Together

Our Christmas Wishing Tree

Help make Christmas special for children in our community

This year, our school community is working together to provide presents for children who are going through a hard time this Christmas.

How you can help

1. Take a gift tag — tags are available any time.
2. Choose and buy a present for the child on your tag.
3. Wrap your present and attach the gift tag.
4. Bring it back to the school office.

What can my present include?

Each tag gives the child's age, gender and interests — for **example**, a girl aged 5 who likes colouring.

A gift of **around £5** is suggested; it doesn't need to be expensive. All gifts must be brand new, not second-hand.

Please choose thoughtfully to help each child feel valued.

Please return your wrapped gift by

Monday 14th December 2026

Gifts will be passed on to the children in time for Christmas!

If you take a tag, please make sure you buy, wrap and return the present to school with the tag attached.

Thank you for your kindness and generous giving!
