Dear Parent/Carer

PSHE and Relationships, Sex and Health Education (RSHE) – Parent Consultation

At Boarshaw Primary School, we believe that working in partnership with parents and carers is essential in supporting children's personal development, health and wellbeing.

We use **myHappymind and myHappymind Plus** to deliver our PSHE and RSHE curriculum, ensuring that children receive age-appropriate learning about relationships, health, safety, wellbeing and the wider world.

We invite all parents and carers to review the information provided on the school website, which outlines what children will learn throughout their time at Boarshaw Primary School, including how sensitive topics are approached.

Click on the link below to access the relevant page on the Boarshaw Primary School Website:

We welcome parents' views and questions about our curriculum and encourage you to share your feedback by completing our parent consultation questionnaire.

Please submit your feedback by 25.10.26.

Thank you for your continued support.
