- Zainab's and Ibrahim's photos are now on the website.
- Chess club has started with Mr Leyland, twice a week, and the children are really enjoying it.
- The salad bar is up and running so children have the option of adding extras to their meal.
- The children have come back with suggestions for different toppings on their pizzas as well as suggestions for vegetable curries. I will pass these on to Alyette in the kitchen.
- There were a few other suggestions: fish finger sandwiches (in bread not wraps); fruit with chocolate sauce; sponge cake with jam in the middle and an Easter-themed lunch with cupcakes for dessert. Again, I will pass this to Alyette.
- The children would like to know if we can celebrate Ramadan in school. They have suggested learning about it one afternoon discussing the importance of it, as well as, making some decorations, such as lanterns, banners and bunting.

Thank you children for your contributions.
