- Alyette from the kitchen attended the meeting today. The children have asked their classes for some feedback about school lunches.
- There were lots of requests for items on the menu, such as: tacos, mac 'n' cheese, cheese paninis and ice cream, all of which will be on the summer menu.
- Some of items that were requested are not available to order: samosas, sweet potatoes, ravioli, chicken wings and nuggets.
- The children would like the salad bar and Alyette has promised she will get it up and running.
- There have been lots of requests for custard, however, this doesn't usually go down well but Ali will try it again.
- The children would like to know if they can have milkshake with their lunch on Fridays so I will ask Mrs Taylor.
- Some children have asked if we can have three choices at lunchtimes but Ali said that two choices work better.
- There have been requests for pakoras but we do not have any fryers.
- Some children have said that the cakes are too dry so Ali will do some with icing on.
- There have been requests for a cooking club so I will email Miss Tahir to ask her if she is free to run one.
- Children have asked for cupcakes but these take too long to make that is why the kitchen make tray bakes.
- Mr Leyland started his chess club on Friday. He will be running two clubs a week on Mondays and Fridays at 12:15pm. Please can children, who have been given a place, remember to attend.

Thank you children for your contributions.
