Dear Parents/Carers,

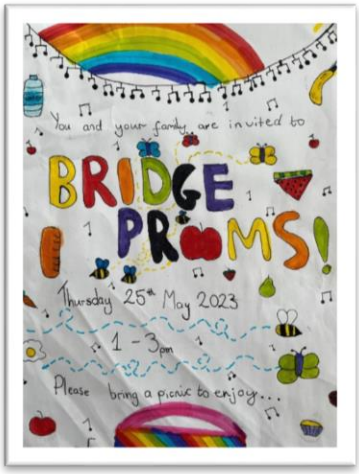
Those of you who are regular visitors to the field may have noticed some developments in our outdoor learning area recently. This week, our long-awaiting poly-tunnel has now been installed and I know that Mrs Pearman is keen to get things growing as soon as possible.

The roundhouse project is also progressing well with the uprights due to go in shortly now that the holes have been dug and will soon be filled with hardcore. Some of the children have also been making mini roundhouse models. It's all very exciting although I am left wondering who they nearly buried?!

We've also had some wonderful feedback about our Christian Aid Week activities - the children have really engaged with this and we've collected a good amount of money (final amount to be totalled!) I'd also like to say thank you to Mrs Perfect for organising this and Mrs C Smith for her spectacular art skills when drawing the pea plant! Thanks also are due to all the children and parents for your support.

Today, the children have enjoyed a range of activities provided by the Science Crew from Pfizer. There will be a full write-up on the school website early next week but, walking around the school today, the children are having a great time and I would like to thank Mrs Dennett for organising this for the children and all of our visitors from Pfizer.

Next Week



I'm very excited about the Bridge Proms this Thursday and Mr Taylor sent out information to all parents about the arrangements yesterday via ParentMail. I've also attached this to this newsletter.

The sides gates will open at 1pm and will close promptly at 1.15pm. Please make sure that you have arrived by this time as we will be starting promptly at 1.15pm.

There will be allocated toilets for adults to use but there are not many so please be prepared to queue if needed, under no circumstance should adults use the children's toilets.

Upcoming Events

Summer Fete

Arrangements for the summer fete continue to progress and it's all looking very exciting. The planning committee met this week and we've had some initial interest in performances from parents – we even have a staff performance!

Last year's fete was one of the highlights of the year and we want to ensure that this year's fete is even better. Please do support your school and the PTA – it promises to be an incredible day.

Events for Parents

I know that parents appreciate a great deal of notice for significant events in the school calendar and therefore we have created an **events** page on our school website which has important dates for the whole school year.

We will do our very best to ensure that the dates published on the website are adhered to but there may be circumstances outside our control which means that there are changes.

If there are dates of other events you would like to know then please ask and we will publish these as well.
