A Children's Prayer of Remembrance

We remember those who stood for love and truth,
And thank you for the sacrifice they made
for me and you.
Thank you that we can now enjoy peace and
learn to love not fight,
Thank you that we can now sing and play,
and not be scared or hide.
We pray for other countries where children live in fear,
And there is war and fighting and many are in tears.
Please help to make things better, and bring
some peace to them.
Protect all those who try and help to make friends again.
Amen.

A description of Boudicca by Cassius Dio, Roman history, sometime after AD 202
"In stature she was very tall, in appearance most terrifying, in the glance of her eye most fierce, and her voice was harsh. A great mass of the tawniest hair fell to her hips; around her neck was a large golden necklace; and she wore a tunic of divers colours over which a thick mantle was fastened with a brooch. This was her invariable attire."

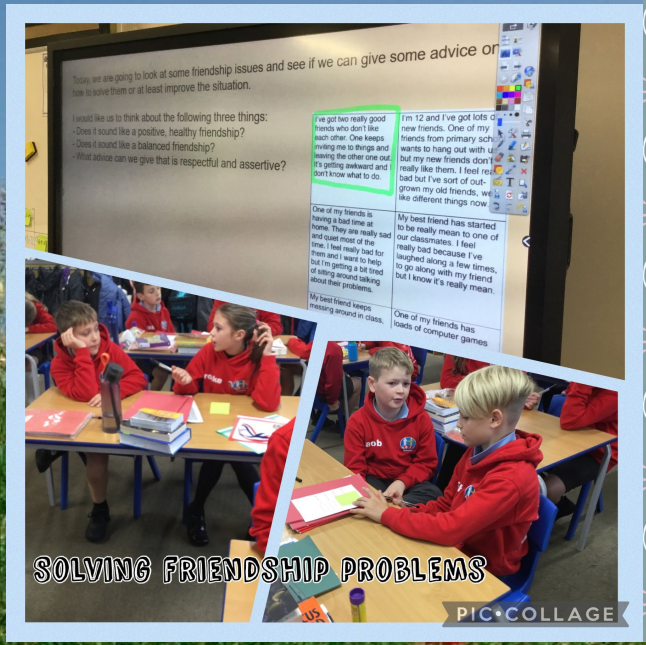
Year 6



Today, we are going to look at some friendship issues and see if we can give some advice on how to solve them or at least improve the situation.
I would like us to think about the following three things:
- Does it sound like a positive, healthy friendship?
- Does it sound like a balanced friendship?
- What advice can we give that is respectful and assertive?
I've got two really good friends who don't like each other. One keeps inviting me to things and leaving the other one out. It's getting awkward and I don't know what to do.
I'm 12 and I've got lots of new friends. One of my friends from primary sch... wants to hang out with u... but my new friends don't really like them. I feel rea... bad but I've sort of out-grown my old friends. we like different things now
One of my friends is having a bad time at home. They are really sad and quiet most of the time. I feel really bad for them and I want to help but I'm getting a bit tired of sitting around talking about their problems.
My best friend has started to be really mean to one of our classmates. I feel really bad because I've laughed along a few times, to go along with my friend but I know it's really mean.
My best friend keeps messing around in class.
One of my friends has loads of computer games
