Careers Newsletter

In our first newsletter, you will find lots of exciting links to explore interesting careers, and also find out what opportunities are coming up next term for your key stage.

*Remember you should be building your CV or
CLAG portfolio*

LET'S DO THIS

Springpod is a free resource that gives students amazing work experiences online. If any of the opportunities below look interesting you can sign up for them at www.springpod.com

KS3 Opportunities

Imperial College - STEM in Action

Free self-paced resources for Y7-9

Take part and learn more about how the scientists, mathematicians and engineers at Imperial College London are working to understand the world around us.

Explore our first two modules, [The Human Body](#) and [Beyond Our Planet](#), which contains themed videos and activities that can be done at home or in school.

More information and applications [HERE](#)

KS4 Opportunities

Imperial College - STEM Potential

Y10 Students - Applications open

STEM Potential offers students the chance to experience different fields of science, technology, engineering and maths to gain a better understanding of which subjects you may want to study at A-level.

During the two-year programme you'll attend on-campus events, getting a feel for university life and working closely with Imperial academics and current students. In August of Year 10, you will also take part in a non-residential summer school.

For more information and applications visit [HERE](#)

Applications close at 23.59 on 6 January 2022.

Lunch time careers talks

When: Wednesday KS4 lunch

Where: LRC

During lunch times in the LRC, we run careers talks where you can hear directly from people in lots of different jobs. See below for the schedule:

January

05.01.22: Nalan Dodgson

Director of talent at Burberry (**online**)

12.01.22: Layla Bolton

Clinical research nurse (**in person**)

19.01.22: Debbie Martinez

Women of NASA (**online**)

26.01.22: Valentino Cosma Bosa

Amazon (**in person**)

February

02.02.22: Tom Hulme

Head of Google Europe (**online**)

09.02.22: Anthony Ginsberg

Chemical engineer (**in person**)

Think of some questions to ask these people and go along to the LRC

Careers help online - Kudos

Kudos is a leading career development website that allows students to plan a career pathway.

In particular, you will be able to take a test to find careers that are likely to suit you, explore recommended subjects to study and engage in tasks to help you prepare for your career pathway.
