Reflection
Jesus taught that everyone is important and has a special place in the world. The Gospel reminds us that we belong and are loved. When we remember this, we can shine our light on the people and places around us, helping to build a fair and caring community, where everyone feels welcome, respected, and valued.

The Times newspaper recently asked young people, aged between 18 and 27 (also known as 'Gen Z'), what they thought about their lives and life in the UK. The survey showed lots of views, including that 4 out of 10 young people are proud to be British, and less than half feel that people in the UK are accepting and welcoming towards others.
