Attendance:

In order to try and improve our schools attendance we have agreed, for a trial period of 12 months, to administer non prescribed medications like Calpol, Ibuprofen and Paracetamol to children in school, upon parent's completion of the appropriate form. All medication must be handed into the school office.

We have also introduced a late book, whereby parents will need to sign their child in, at the reception, stating the reason for being late. This is to enable us to monitor and help children with persistent lateness.

Star of the week

This week we have awarded Star of the Week Award to
NRT & RR
Well done!

After School Clubs

There will be no after school clubs the last week of term.

The Art/Craft and homework club will continue after Christmas, however the sports club will not restart until March when the nights start getting lighter.

Don't forget to return your reply slip for tickets for the Christmas production.
