Parent Survey November 2026

Thank you to all who took part in our annual survey. All comments and data have been presented and discussed at our December Full Governing body meeting.

Comments made by parents:

Good commitment to the children learning how to think as well as learning facts. Good support for a range of abilities. Children seem happy and cared for. NB there should be more invited space for comments in the survey than just one that invites positive comments.

Ireby school and community is like one big family. Very grateful that Eli gets to be part of it all

Ireby School, is fantastic they put the children first. They have given the children so many experiences and nurture them along the way. My child has shown improvement through out and her outlook on school is really positive and she loves going to school, that is down to everyone who works there. Thank you

This is a school with a huge heart but also a focus on helping all children meet their potential. It's a hard balance, but you all do it so well and we are so grateful. I know that when my children are in school, they are safe, happy and engaged in learning that will help them grow and give them confidence in who they are.

We are very happy with Ireby School. The learning environment is superb and the team really go the extra mile and look after the children's individual needs.

Ireby school is a nurturing community that feels more like a big family than a school. It keeps learning fun and creative, inspiring the children to want to learn more.
