Welcome back!

We would just like to welcome everyone back to the new school year and a special welcome to our new year 6 pupils and families. Our year 6 pupils have settled in extremely well and are quickly adapting to larger surroundings and new routines. Our CEO Mrs Greenhough has visited us today and has commented on their wonderful manners. Well done year 6 you've had a flying start so far.

Our Heads of House are looking forward to announcing our new Y8 pupil leadership team next week and we will also be launching our new Student Council so that even more pupils have leadership opportunities. Our School Council will feed into the Trust Pupil Parliament where they will get to represent the views of Kirkburton Middle School.

We have sent out our '**What's On'** bulletin showing our extra-curricular offer for pupils for this term. We would love to see as many pupils as possible join a club as we believe that such activities really enhance pupils' experience of school.

Catering

Thank you for your patience with our new catering company. We are experiencing some teething problems which we appreciate will have been frustrating for some. We hope, that by the end of next week, we will be running a full service.

School Communication

If you wish to get in touch with a member of teaching staff or form tutors, please email the office and they will pass on your message. We aim to return calls and emails within 48 hours.

We are trying to encourage our pupils to be independent and so will no longer ring home if a child has forgotten their PE kit. We would very much appreciate your support in ensuring pupils are familiar with their PE days and are reminded to bring their kit.

We are looking forward to seeing you all over the year at our different events, please look out for future bulletins giving information on key dates. We will publish our parent calendar shortly.

Kind regards

Mrs S Kerr

Head of School

Clubs at KMS

Please see below the list of clubs on offer at KMS this term. We have gotten off to a great start with many pupils coming to collect permission slips. If your child hasn't yet got their permission slip and would like to join an after school club, please ask them to come to the office and collect one. Permission slips are not needed for lunchtime clubs and pupils can show to up the classroom where it is held.
