

A visit to the park, looking for signs of Spring

As the weather turns a bit warmer the flowers and the leaves on the trees are starting to grow. What else do we see this time of year?

Can you find any of these things when you go for a walk?

Flowers you might see are:

crocuses

daffodils

bluebells

Draw a flower you have seen.

Look around for other signs of growing

blossom

catkins

new leaves

robin

blackbird

ring necked parakeet

blue tit

For your own picture

Have a listen.
Can you hear the birds?

They will be building their nests to lay their eggs.

If you are very lucky you may see a Peacock butterfly.
