## Communication and Language

We will be singing, signing and listening to lots of winter rhymes, including '5 fat snowmen' and 'Is it morning?'

We will be using our communication books to help us describe snowmen and identifying objects in a winter scene.

Some of us will be answering questions about what we wear in winter. Some of us will be requesting winter clothes to look at and wear.

## Personal, Social and Emotional Development

We will be playing winter themed games with our friends, learning to take turns.

We will be sharing classroom resources with our friends.

We will be making and communicating choices.

## Literacy

We will be reading the story 'Gruffalo's Child', we will be exploring objects linked to the story. Some of us will be requesting objects from the story. Some of us will be naming objects, characters and answering 'what' and 'who' questions about the story.

## Maths

We will look at footprints and the patterns they make in snow.

We will be matching winter clothes and looking for patterns, colours and shape.

We will be making snowmen from 2D shapes. Some of us will be matching shapes and some of us will be naming shapes.

We will be recognising numbers and counting lots of winter objects.

## Physical Development

During PE lessons we will be developing the fundamental movement skills.

We will be developing our fine motor skills by threading fruit to make snowmen kebabs.

We will be learning to make marks in snow, some of us will begin to write letters in our name.

We will be practising getting dressed and undressed in winter clothes.

# Winter

## Expressive Arts and Design

We will be using a range of large construction and materials to make igloos.

We will pack our bags for a winter holiday and use props to support our role play.

We will look at winter colours and create winter scenes using collage materials.

## Knowledge and Understanding of the World

We will be using our senses to explore ice, we will use magnifying glasses to look closely at patterns.

We will be developing our switch skills to make pictures of winter scenes.

We will be using small world winter animals to role play winter scenes. Some of us will label parts of winter animals.
