

Goodbye Song

Open them, shut them, open them, shut them,
Give a little clap.

Open them, shut them, open them, shut them,
Put them in your lap.

Creep them, creep them, creep them, creep them,
Right up to your chin.

Wiggle them, wiggle them, wiggle them, wiggle them,
Mind they don't fall in.

Roll them, roll them, roll them, roll them,
Right up to the sky.

Wave them, wave them, wave them, wave them,

Wave your friends goodbye, goodbye.... goodbye....
