

Make an Easter Bonnet

Here are some examples from previous Easter Parades.

We usually have an Easter Bonnet Parade before we break up for the Easter holiday.

We would love it if you made a bonnet at home and emailed us a photo of it, or of you wearing it. (Parents, please say in the email if you give your permission for the photo to be on our website). media@abbeywood-nur.greenwich.sch.uk

You may already have bought some Easter bits in the shops to use.

Don't worry if you haven't, you can cut up a food box or paper plate to make some Easter bunny ears.

Cut a circle of card or use a paper plate.

Cut out the shape of ears as shown. Leave the bottom of the ears attached. And bend the ears so they stick up.
