

"We will work in partnership with you to continue to build the unique foundations for your child's learning"

PARENTS' NEWSLETTER

Towards the end of last term we asked for this terms School fund donation. We have attached another envelope to this newsletter because to date we have only received £80.00 towards the school fund contributions. This money goes a long way to help the school pay for extras, snacks and supplies for the children. Sadly due to funding cuts we can't supply this out of the school budget, any contributions would be greatly received, Many thanks.
