

More beanstalk ideas to think about!

- Can you find out what a harp sounds like?
- Who is the *Giant* in your family?
- 'Fee Fi Fo Fum' all starts with the sound f, can you change it for another sound to make some funny rhymes? (try m, b, g, w to accidentally make some new words! Maybe you could make even more?)
- How else could the story end? Could you come up with your own version as a family? What if the *Giant* kept the golden hen in the end? What would happen if the beans weren't magic?
- Do you eat beans at home? Try comparing them to the beans in the story. Are there different beans in the shop?

Giant Beanstalk!

Can you use lots of pieces of paper lined up next to each other to draw a giant beanstalk?

What would be at the top of it?

Who is climbing up your beanstalk?

Maybe you could blu-tack it to your wall and see if it's taller than you?
