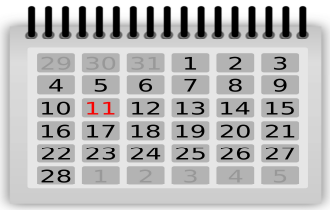
Newsletter

Friday 6th November 2026

Dates to Remember



Friday 6th November - Year 5 will be taking part in a STEM workshop which will teach them all about sustainability and electric cars.

Wednesday 18th/Thursday 19th November – Parent's Evening – Please call the school office to book.

Thursday 3rd December – Photograph day

Thank you to everyone who has donated towards the Poppy Appeal so far this week.

As we still have poppies and other items available, children will have the chance to purchase them again next week for a small donation.

Thank you for your kind support and generosity.

This Week's Awards

Geography Certificate's this week

Year 1 – Darasimi

Year 3 – Ivana

Year 5 – Miracle

Maths Certificate's this week

Year 1 – Ianis

Year 2 – Shreesh

Year 3 – Olivia

Year 4 – Esme

Year 5 – Charles

This is just a polite reminder that we are a **nut free school.**

Please do not send your child to school with any snack/packed lunch items that contain nuts.

Could You Help Us Grow?

At our school, we are always looking for ways to make our environment the very best it can be for our children. We would love to develop our garden areas and create welcoming, attractive outdoor spaces for everyone to enjoy.

We are reaching out to our wonderful school community of parents, carers, grandparents and family members who may have a little spare time and a love of gardening, planting or simply getting stuck in and making a difference!

Whether you have green fingers, enjoy being outdoors, or would just like to lend a helping hand, we would love to hear from you. You don't need to be an expert gardener — enthusiasm and a willingness to help are all that's needed!

Our aim is to bring together a small team of volunteers who can help us improve and care for our outdoor areas, making them brighter, greener and more enjoyable spaces for our children.

By working together, we can make a real difference and show our children the power of community spirit. Every helping hand, no matter how big or small, would be greatly appreciated.

If you are interested in getting involved, please get in touch with the school office. We would be delighted to hear from you and look forward to growing something wonderful together!

ParentPay

We would like to remind all parents and carers to regularly check their child's ParentPay account and ensure that any outstanding balances are cleared promptly.

Charges for services such as school meals, Breakfast Club and other school activities should be paid in advance wherever possible. Keeping accounts in credit helps us to manage these services effectively and ensures that your child can continue to access them without interruption.

We recommend making a weekly payment to your ParentPay account, as this is a simple and effective way to stay on top of balances and avoid any unexpected arrears.

Thank you for your support and cooperation.

Healthy Recipe of the Month: Rainbow Fruit Wraps!

A little bit of colour, a lot of fun!

Why not have a go at making these delicious rainbow fruit wraps at home with someone in your family?

You will need:
1 wholemeal tortilla wrap
2 tablespoons of natural yoghurt or soft cream cheese
Strawberries
Banana
Kiwi
Blueberries
Any other favourite fruits!

Let's get making!

Spread the yoghurt or cream cheese over your tortilla wrap.

Wash your fruit and ask an adult to help chop it into small pieces.

Arrange your fruit in colourful rainbow stripes.

Roll up your wrap carefully.

Slice in half and enjoy your delicious rainbow creation!

Family Challenge!

Can you make your rainbow using five different coloured fruits? Why not take a photograph of your creation and share it with us? Email your creation to: lbarnsley@sacredheart.mecmat.org

Why is it good for us?

Fruit contains lots of vitamins, minerals and fibre to help keep our bodies healthy. It's also a great way to try new fruits and explore different colours and flavours.
