

Sock matching game

Cut out each sock and make sure you have all the pairs. Or if you can't print this sheet then draw some pairs of socks on a piece of paper and cut them out instead.

Shuffle the pieces and lay them face down

Take it in turns to choose any two pieces, if you make a match have another turn. If it is not a match return the cards and it's the next players turn.

The player with the most pairs wins.
