## Academy Context

Abbotsweld Primary Academy is a mixed form entry Primary School with eleven classes from Reception to Year 6. Pupils on the SEND register were 16% at the start of September 2023 and 7 of those have EHCPs as well as 1 pending outcome.

Abbotsweld serves a community with significant social and economic disadvantage. According to the IDACI- Income Deprivation Affecting Children Index, the school is based in the lower quartile of the country. Harlow is top in Essex for numbers of lone parents, 4.7% of adults who have never worked. We have 32% of parents that live in council housing and in the school's local area, 27% of children live in poverty (that equates to 8/30 children in a class).

We have 27% of children who are in receipt of Pupil Premium and 26% in receipt of Free School Meals. This is in line with the current national average for 2023, which is 26.7%. In key stage 2 this rises to 35%.

We have high expectations for all our pupils and believe that they must be given the opportunity to reach their full potential as global citizens through Academic Success, Positive Wellbeing and Physical Development. We are dedicated to giving every child the opportunity to achieve their full potential and celebrate their uniqueness; equipping them with the necessary skills to embrace the fast changing world of the 21<sup>st</sup> Century.

## PE and Sport Premium Background and Aims

Since 2013, there has been additional government funding given to schools. Schools with 17 or more pupils receive £16,000 plus £10 per pupil in years 1-6. Current funding has been maintained in its doubled state from the last three years. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. At Abbotsweld, Physical Education and Sport feature highly throughout the school. Children receive at least 2 hours of timetabled, physical activity per week as well as opportunities for supervised, active play during break and lunchtimes for at least an extra hour per day. We believe that physical activity and sport contribute to the holistic development of children and through participation in sport and physical education, children learn more about themselves and develop lifelong values such as teamwork, fair play and respect for themselves and others. There is significant evidence to show the positive effects of sport and exercise on children's physical health, growth and development but also on their academic ability.

Sport and activity also provide a healthy environment for children to learn how to deal with competition and how to cope with both winning and losing. Over the past 12 months, we have continued to develop our PE offer, through specialist PE teaching, reviewing the PE curriculum and adding to our resources – for both before and after school

activities. Specialist physical education teachers or coaches work in every year group teaching at least one lesson in each class every week. They also deliver high quality training for other teaching staff to increase staff confidence in delivering PE lessons.

The school makes use of coaching opportunities from CK Sports Coaching to help deliver PE lessons. The school was successful in retaining Gold Games Award at the end of 2022-23 in recognition of its commitment to developing sporting participation, provision and competition. We are looking to build upon these achievements in the coming year by hosting multiple inter and intra NET Academies competitions.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2023:	Areas for further improvement and baseline evidence of need:
Gold Award 2022-23; Harlow Sports Partnership events – netball, cricket, tag rugby, football, rounders, gymnastics, cross country & indoor athletics; 100% pupil engagement with Winter Olympics and Sports Day; Pro-active House Captains	Greater representation among all year groups; Generate more inter-intra Harlow competitions; Generate more external links with local Sports Clubs; Playground Leader programme Development

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.	tbc
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	tbc
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	tbc

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes

Swimming is offered in Year 5. Any children leaving Year 5 still unable to swim are fully funded in Year 6 to attend lessons.
