

English

In English, we are continuing to follow the Talk4Writing scheme. This encourages children to internalise a text and its features before writing their own version.

This half term we will begin with the Lion Inside by Rachel Bright. The children will use this to write their own wishing tale, focusing on the correct use of capital letters and full stops.

Other Topics this term

In science we will be learning about the seasons and what clues we might use to identify which season we are in.

Children will also develop local knowledge of Harlow in History and explore how it has changed over time.

In Art we will be exploring how we can create different types of lines and use this knowledge to create an observational drawing.

Abbotsweld Primary Confidence Class Curriculum Newsletter Autumn 2024

Class Information

Homework will consist of:

- Daily reading
- Numbots
- Spellings

PE is on Wednesday and Friday. On PE days, children may come into school in their PE kits. Please make sure they are wearing a T-shirt, joggers, jumper in our school colours: red or black, and black plimsoles or trainers.

- Please ensure your child brings in their phonics book and reading record every day.
- Please ensure that your child brings in a named bottle of water for them to have throughout the day.

Maths

In the Autumn term children's focus is place value, where children will learn how a number is made of tens and ones.

Please support your children at home by using Numbots (logins will be sent home soon).

We will also be looking at geometry, learning about different shapes properties and how we can identify them using our knowledge.
