This week at school...

We hope you all enjoyed some spooky fun over the half-term break. As we settle into the Christmas term, there is already plenty happening in school.

Alongside their usual learning, pupils have begun rehearsals for upcoming productions, while the PTFA are busy preparing for Christmas Bingo, the Christmas Fayre, and the children's Christmas party day. To start the term, the children have also been creating artwork that can be printed onto Christmas cards, mugs, and other lovely gifts. Please remember to return your form. There is no obligation to purchase anything; returning the form simply allows you to receive a code to view your child's artwork and gives you the option to place an order if you wish. The children thoroughly enjoyed designing their creations!

We were also delighted to welcome a new member of staff this week. Following Robin's retirement, Rosina has joined us as our school cleaner and we are sure she will be a wonderful addition to the team.

Looking ahead to next week, Willow Class will begin their two-week block of swimming lessons on Monday. Oak Class will be visiting the church and taking part in the village Remembrance service on Wednesday. Parents' Evenings will take place on Tuesday and Wednesday, and on Friday we will be holding a non-uniform day in exchange for donations of items that can be used as prizes for Christmas Bingo.

Thank you for your continued support, and we look forward to another busy and exciting week ahead.

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress.

We have set our target this year at 97% again, but can we beat last year and get higher?

Year to date - 98%
