Weekly Newsletter

10th June 2022

Message from Mrs Crossley

It's been such a busy week for Aberford this week. We have completed Year 1 phonics screening and are now awaiting confirmation of the pass mark from the DfE. The children have worked so hard at this and we are over the moon at their results. This year has been the first year of our new phonics planning and reading scheme and looks like all the hard work and investment has really paid off!

On Wednesday, the whole school walked up to Nanny Goat Farm to take part in a session on animal handling, petting and grooming. The feedback from this was excellent! The children had a fantastic day and all the adults commented on how much they had got out of it. We enjoyed it so much that we plan to visit every summer! A big thank you to the parental contribution earlier in the year which funded this trip.

Thursday saw our class 2 visit to the Skip School competition. The children have been busy in school over the past term, learning all the different skipping skills, ready for the competition. We had a fantastic morning and it was a great opportunity for the children to compete against other schools after so long. Many of our children were the youngest there, with all other groups being just year 2s. You wouldn't have known from the performances though, as all our children gave it their best and made us all very proud representing our school! Class 3 will be taking part in this competition in the coming weeks.

Dates:

- Friday 17th June:** non uniform for summer fair donations
- Saturday 2nd July:** Summer Fair 1pm
- Monday 4th July:** Class 3 Skip School competition
- 12th & 13th July:** KS2 performance at village hall
