Did you know?

Collective Worship

Each half term, our focus for Collective Worship is one of the Christian Values. Children get chance to explore what that value can mean for us and how we can use it to strengthen us in our day to day lives. This half term, our value is **Courage**. The children have also been exploring the meaning of the Lord's Prayer in class worship time and have written very moving responses about things that are important in their lives, such as the best gift they have ever been given. Responses such as **friendship** and **my parents' love** reminded us of what really is important to our children.

Message from Mrs Crossley

This week, myself and Mrs Warner have been looking at work in books throughout school and checking on how well everyone is doing. We were so proud of the hard work everyone is putting in and how much work is being produced. This year, we continue to work with the West Yorkshire Maths Hub to develop our maths curriculum further and Mrs Warner attended the launch event this week.

Breakfast Club:

Join us from 7:30 or 8:00 each morning.

Book Fair

A big thank you to everyone who attended the Scholastic Book Fair last week. A total of £402 was spent which gives us a fantastic £160 commission to spend on books for school!

Messages from the Office

Please don't forget to log on to the Parent Lite App and check that we hold all the correct contact details for your child. If you have not received a link please let the office know.
