### Message from Mrs Crossley

#### PSHE

For the last 6 weeks, classes 2 and 3 have been working with Jack, from Leeds United Foundation, to learn about how to keep themselves healthy. For their final workshop, we were invited to the stadium to learn about making healthy wraps. We were delighted to find out that the children would also be given a stadium tour during our visit. This was a fantastic experience and some children even got to sit in the manager's chair in the press conference room.

#### World Book Day

World Book Day is Thursday 2<sup>nd</sup> March. Children can come in non-uniform, in exchange for £1 for school funds. Once again, we are not asking children to come in character fancy dress, so that families do not have to spend a lot of money on costumes. In school, we will be running a mixed age workshop for the children, around the love of reading, as these were very well received last year.

### Message from the Office

#### School library and reading books

We have lots of outstanding books from our school library and reading books and our stocks are now getting low. Please can you check if you have any at home and return them to school after half term.

#### Can you knit?

Class one are trying to find someone who could make 5 knitted or crocheted hot cross buns for them. If you are able to help with this, please could you let Mrs. Goddard know.

#### Punctuality

We have started to see an improvement this week, with a decrease in the number of children arriving late. Please note, after the half term, if your child arrives late, you will need to pop into the office to sign them in, so that we can keep track of the time that they arrived.
