### British Values

We treat everybody equally.

We understand right from wrong.

We understand the consequences of our actions.

We listen to and respect other people's opinions and values.

We try to help other people.

We know that we are all special.

We understand and respect the roles of people who may help us.

We respect the culture and beliefs of others.

In school, we spend time looking at how these values apply to us and how they are woven through all the things we learn about.

### Breakfast Club:

Join us from 7:30 or 8:00 each morning.

### Message from Mrs Crossley

Several of our teachers have been very busy this week, attending Local Authority training and moderation sessions, in order to prepare for end of year statutory assessments. Work in our pupils' books is looking very promising and it is great to see so many children applying the skills they have been taught independently. Watch out for our new Handwriting Scheme and Policy coming soon!

### World Book Day

**Thursday 3<sup>rd</sup> March** is World Book day and we are planning an exciting day in school to celebrate. During the morning, the teachers will be delivering short workshops, based around a particular genre or book and the children will move around each workshop during the morning. Children will be grouped into four, mixed aged groups, rather than working in classes and they will stay in their groups all morning, before returning to their normal class at lunchtime. Children can come in **non-uniform on this day, in return for £1** for school funds. Please note, we are not asking children to come in book character fancy dress, just normal non-uniform clothes so that families do not have to spend lots of money on costumes.

Children in school will once again receive the £1 World Book Day vouchers which can be spent in participating shops.

### Messages from the Office

Please can all outstanding Dinner Money & Breakfast Club and Class 4 Residential fees for this half term be brought up to date by the end of the week.
