### Did you know?

Father Phil held the first Church Café session after school on Tuesday. The church has set up these fortnightly drop ins to try and build relationships between the church and the community and has asked some of the children in school if they could help with drinks, etc.

It was a small but happy turnout and the children enjoyed playing together whilst the grown-ups had a chat and catch up.

I've heard talk of cakes being baked in time for the next meeting so please do turn up and support this community venture if you can! A huge thank you to those of you who came this week. x
