### Message from Mrs Crossley

Last week, our Key Stage 1 children went on a trip to Harlow Carr. This was a fantastic event and the children gained so much from it. The teachers who took them commented on how well behaved the children were and what thoughtful questions they asked about it whilst they were there.

Our Key Stage 2 production of the Jungle Book was a 'roaring' success this week and we were so proud of all the children for their acting and singing throughout it all. Thank you to everyone who supported us and who came to watch the show.

We have lots of lost property in school at the moment. On the drier days next week, we will put it all out on tables in the playground so items can be reunited with their owners. We will then get rid of any left over items to charity and uniform exchanges at the end of next week. A lot of these items are unnamed. Please can families name everything that children wear to school. This can just be by biro onto the label if you don't have other name tags.

End of year school reports will be coming home today with your child.

### A message from the Office

Please can all outstanding payments due on School Money be brought up to date before we break up next week.

If your child would like carton of milk each day in the next academic year please follow the link below to place your order

[www.schoolmilk.co.uk](http://www.schoolmilk.co.uk) to register your child. You will need a valid email address to do so and please have your child's school and class details to hand.

You can choose to pay for the coming term or for the entire school year. If you register during the term or school year, our system will only charge you for the remaining school days.

After selecting the period you wish to pay for, you will be asked to agree to our terms and conditions and enter the details of your method of payment. You can pay by PayPal or credit or debit card.

That's it! Your child's milk will be delivered to school in time for them to drink during mid-morning break. Our milk is delivered in refrigerated vehicles to ensure it arrives at your child's school at the peak of freshness.

If you need any further help please contact Fresh Pastures on 01924 908499 or [admin@schoolmilkuk.co.uk](mailto:admin@schoolmilkuk.co.uk)
