Weekly Newsletter

18th March 2022

Message from Mrs Crossley

Parents' Evening will be held in school on Wednesday 30th March and all slips with time slots on have been sent out this week. If you did not hand in a form, a time will have been allocated to you by the office. Please get in touch with school if you have not yet made an appointment. After the success of last time, the meetings will once again be held in the hall and parents are encouraged to come on time, rather than early. If you are late for your appointment your teacher may not be able to see you. If you do not have childcare, children are welcome to sit in the staffroom and wait whilst you meet with the teacher. They can bring something to do such as read a book, colouring in, etc.

Our **Easter Raffle** will be held in school on **Friday 1st April**, as we break up. Children can buy raffle tickets in school that day for 20p a ticket or £1 a strip. All prizes for the raffle have been donated by the staff in school.

Message from the Office

We are hoping to purchase a history timeline to display in school to support the children with chronology. We are able to put 10 additional pieces of information on this relating to local history. If anybody can suggest any child-friendly local history facts, please let us know before the end of term.

Class attendance this week

Class 1	81.5%
Class 2	94.8%
Class 3	87.1%
Class 4	94.4%

Well done to class 2! Our attendance winner this week!

PTA

We are looking for some new ideas for our PTA and would love to hear from members new and old. We will be holding our next meeting in school on **Tuesday 26th April at 3:15pm**. We know that this time of day may not suit everyone but at this meeting, we can discuss what time, date and venue works best for the majority and can book future meetings to suit this. So for this meeting only, if you want to pop in straight from the school pick up, staff in school will look after children during the meeting and run activities or games. Please do come and join us. PTA events are always great fun for our school community and also raise vital funds to support school with the extra costs that the budget does not always stretch
