21st January 2022

Moving On

Mr Thomas will be leaving Aberford Primary on Wednesday 9th February. We are all really sad to see him go but are really excited for him as he starts his new challenge. He has secured a full time job at Kings Camp, where he has worked during school holidays for several years and has plans to work and teach abroad as soon as he is able.

Mr Thomas has been an integral member of our team for several years, especially during these last few years of disruption and will leave children and staff with warm and fond memories.

Covid isolation

If you have been off isolating this week, don't forget that in order to return to school earlier than day 10, you need 2 consecutive days of negative tests, no earlier than day 5 and 6. If negative for the second time on day 6, you can return to school that day.

Dates:

- February half term: **Monday 21st February – Friday 25th February**

Message from Mrs Crossley

What a funny old week it has been! After seeing one or two covid cases each week only for most of his academic year, we suddenly hit around 25% of the school in one go! Listening to other schools, we are not alone and several others have seen a similar surge this week.

Hopefully, it will start to subside as quickly as it arrived and we can get back to business as usual as soon as possible. We will remain in bubbles all of next week and aim to go back to 'normal' the week after – commencing Monday 31st January.

I need to say a massive thank you to all the staff who have been in school this week. They've really pulled together to keep the school open and keep things going.

Thank you so much. You are all superstars!

Messages from the Office

Unfortunately, there will be no afterschool clubs next week, we will be hopefully starting them again W/C 31st January. Thank you all for your support with testing over the last we, please can we ask that you continue to test daily and let the office know of any positive case. Thank you
