## Weekly Newsletter

7<sup>th</sup> January 2022

### Did you know?

Value this half term:

### Compassion

This week in Collective Worship the children learned about how showing compassion can be 'noticing a need'. They shared beautiful and thoughtful contributions throughout and were keen to demonstrate compassion during their work and play this week.

### Breakfast Club:

Join us from 7:30 or 8:00 each morning.

### Message from Mrs Crossley

It's been lovely seeing everyone back at school this week. The children have all been working hard in all their subjects. Multiplication has been the focus of most of the maths lessons in school this week.

Next week, we are going to ask our children to make a big effort to keep our cloakrooms and lockers much tidier. Cloakroom monitors will be elected and spot checks will be done! Mr Thomas is going to look at moving the names on pegs to help this. You could help us by making sure that children who bring spare shoes always bring a small bag or carrier bag for them and that children do not bring large size rucksacks every day. With us now coming in PE kit for PE, most children do not need such a large bag and the cloakrooms and lockers really are not big enough to accommodate lots of large bags and coats.

### Messages from the Office

The deadline for applications for new reception starters is 15<sup>th</sup> January. Please remember to send your application in to the council.
