Guidance:

This is a **sample** risk assessment and will remain so unless the following criteria are satisfied:

1. The boxes highlighted in grey above must be completed with the required details.
2. A Ref number is inserted.
3. The signature boxes may be typed if this is to be uploaded to an internal school system.
4. The control measures identified below must be either complied with **or** additional &/or altered measures to reflect the establishment's control measures inserted into the additional / altered measures column.
5. The initials of the person responsible for implementing the control measures must be entered into 'Control Measures' column.
6. When measures are in place these must be signed and dated in the Date Done column

The purpose of this whole assessment is to assist in the management of Coronavirus on schools premises and as such the over-arching hazards being controlled are building safety, reducing the spread and likelihood of contracting Coronavirus and managing staff and pupil wellbeing. In all cases the persons who could be harmed will be pupils, staff, visitors and parents. Therefore, the format of the risk assessment has been altered in this instance to reflect this and present the control measures that may assist in planning for a safe re-opening in whichever form that takes.
