Message from Mrs Crossley

Thank you

All the staff in school would like to thank parents and children in school this week for their patience and support after the key stage 2 bubble closure. The remote learning has been well received and engagement has been high. Mrs Warner particularly enjoyed the performance rehearsal via Zoom. The enthusiasm and engagement of our young people with a lesson such as this is testament to their maturity and sportsmanship and whilst the session may have raised many a smile from the adults supervising, we are all so proud of them for giving it their all.

Just to remind you that remote learning will continue on Monday then class 3 and 4 reopen in school to the majority of children. The few children who need to isolate the extra day are already aware of this.

Reading Books and Library Books

Many reading books and library books are still outstanding so please check at home this weekend and return all books to school. We are currently auditing all the books we have so that they can be banded into reading bands, to supplement the new reading books when they arrive. We also need to confirm final numbers of what we own before we can put the order in for the new scheme.

Scholastic Book Fair – September 2021

We have booked a Scholastic Book Fair to be held in school, arriving on the 28th September and being collected on 5th October. More information will follow in September but this a fantastic opportunity for the children to browse through an unbeatable range of the latest and best children's books. Research shows that **children are five times more likely to finish a book if they have chosen it themselves**, making a Scholastic Book Fair the perfect opportunity to get your child excited about reading!

Many thanks,

Mrs Crossley
