### Message from Mrs Crossley

#### Updated Covid Guidance

As you are already aware, restrictions throughout England are easing once again on Monday 19<sup>th</sup> July. As this is the last week in school, all Leeds schools have agreed that the best course of action is to continue to follow our current procedures and risk assessments for the remaining week. This means that we will remain in bubbles in school and will continue to ask you to wear a face mask and maintain social distance on the school site to continue to protect our school community. We understand that the government intends schools to operate as normal in September but will keep you informed via Dojo if any guidance changes during the summer break.

#### Summer Raffle!

After the success of our Easter raffle, we are holding an end of year summer raffle in school next week on **Thursday**. The prize is a family hamper, made up of exciting summer items purchased by school staff. More info about this will be sent out on Monday.

#### Reading Books

We have ordered many new books for our new reading scheme and they have started to arrive in school. School staff are currently sorting and cataloguing them, ready for the children to start using in September. This means that we will be able to ensure that all children learning early reading will be able to read a book which is matched to the phonics stage which they are working on. This is something which Ofsted want to ensure all schools can do so that all children can make rapid progress. Mrs Jones, our phonics leader, will be sending more information regarding phonics and reading at home in September.

#### Autumn Term

A reminder that Autumn term starts on Tuesday 7<sup>th</sup> September as the Monday is a Training day.
