Message from Mrs Crossley

End of term next week:

Next week is the final week of this term and just a reminder that we break up on the Thursday, with Friday being Good Friday. I want to take this chance to thank you for all your support over the last term. It has, once again, been a term of so many changes and I think you will all agree, the most tiring one we have had in a long time.

School Improvement work:

Staff in school continue to work hard on our school improvement priorities and our staff meeting schedule is busier than ever! We have also had our first reading Deep Dive meeting with the Local Authority School Improvement Officer this week. This was very positive, showed lots of strengths and confirmed that we are moving in the right direction, along with giving us some reassuring messages about our strategic plans for our next steps.

Thursday Easter Fun:

The staff and children in school will be holding our Easter Service in the playground on Thursday morning so please make sure all children have their coats with them. The children may bring some pocket money to school on Thursday to join in with our Easter Fun.

PTA Easter Trail

More information to follow next week about our Easter Trail, which will take place over the Easter break.

Have a good weekend,

Mrs Crossley
