

Aberford C of E Primary School

Class One – Remote Learning

Class One Remote Learning will be accessed via Tapestry.

You will need to log into Tapestry before 9am every day to register and to access the day's learning.

Mrs Shaw will post onto Tapestry every morning with Phonics and Maths sessions for you to complete at home, as well as a Topic related activity.

If you would like to upload any pictures or evidence of learning that day, please do so through Tapestry. Mrs Shaw will be able to see it every day, comment and discuss any ideas for follow on activities.

If you have any problems logging into Tapestry, please message Mrs Shaw on Class Dojo or contact the school office.

Thank you,
The Class One Team
