

Daily Challenge!

I'm Dominic Wilcox, the Chief Inventor at Little Inventors and...

I challenge you!

I know a lot of you will now be at home and we want to make sure those brains of yours are kept busy during this time. I present to you, the **Little Inventors Daily Challenge!**

Here is my **second set of 15 challenges** in one place - you could do one, two or all of them if you want! There are challenges that deal with all sorts of problems, some serious and some just good fun. There will be more soon!

Whatever challenge you take, we would love to see it! So upload it to

littleinventors.org or share it on our social media with tag **#timeforcreativity**.

We will choose our favourite invention every week and the winner will receive their own copy of [the Little Inventors Handbook](#) to keep the ideas flowing!
