Did you know?

We use reading VIPERS in school - an acronym for **Vocabulary, Infer, Predict, Explain, Retrieve and Summarise**. These are based on the reading content domains in the National Curriculum. As well as developing children's fluency in reading, we also need to develop their comprehension of a text. Using the VIPERS helps us to delve deeper into the meaning of a text and further our understanding and support our enjoyment.

Breakfast Club:

Starts at 7:30 on Monday

Message from Mrs Crossley

Welcome to our new look newsletter! This exciting new format will help us to share weekly updates with you as well as important dates and information from the school office. Watch out for curriculum information in our 'Did you know?' section and news about exciting school events from our PTA. This week, all our classes have been back into the full swing of all our subjects and everyone has been working hard. We also all attended church together on Wednesday for the first time since before lockdown. Father Phil leads our fortnightly church worship sessions and will also become a regular visitor into school to support us in living out our Christian Vision.
