Message from Mrs Crossley

It's been a very exciting week in the playground, watching the workmen building the new outdoor equipment. It should be ready by Tuesday!

We want to wish all our year 6 children the very best for the KS2 SATs next week. They have all worked so hard all year and we know they are going to be fantastic! The rooms are ready and the pencils are sharpened! All they need to do now is get a good night's sleep on Sunday and come to school for the SATs breakfast club at 8am on Monday.

This week, we want to say a massive congratulations to Mrs Sadler for completing her Level 3 Diploma as an Early Years Educator and passing with a distinction! Mrs Sadler has been working on this course for the last 18 months and has put so much time and effort into using the skills and knowledge she has learned into the nursery and reception classroom and outdoors environment and it certainly shows!

PTA

The PTA will be planning a date for a summer term meeting to discuss plans for a summer PTA event – hopefully a summer fair. If you would like to be involved and help out, drop one of the PTA members a message or pass it on via the school office and come along to the meeting once we've confirmed a date.

Our summer fairs have all been fantastic events which children and families have greatly enjoyed but they do take a lot of organising. There is definitely strength in numbers here so please get involved if you can.

Message from the office

Over the last couple of weeks we have seen an increase in complaints from local residents on school lane and the lane at the side of school about parents parking and using the private road. Please can all parents respect the local resident's access to their properties and driveways when dropping off and collecting from school.

Everyone who has already handed in a clubs reply slip now has a place in the clubs they requested. There's only a few remaining spaces so please get any more slips in as soon as possible.
