Message from Mrs Crossley

This week we have celebrated British Science week and have explored the theme 'curiosity'. Mrs Sharp, as science lead in school, kicked off the week with an assembly to launch it, then all children took part in a carousel of 4 scientific experiments which all had a question to explore. The children had a great time finding out which side toast lands on (we won't mention the toast which hit Mrs Warner's classroom ceiling!), the best material for a handkerchief, aerodynamics for paper planes and raft design to hold the most weight.

A huge well done to class 3 for their fabulous results in the skipping competition! They came a very close second with only 6 points in it!
