Message from Mrs Crossley

This morning, we had Sam Hall and Jason Qareqare from Castleford Tigers come into school to talk to the children in assembly. They told them all about teamwork, resilience and attitude and how these skills help them with their training and playing. The children then reflected on how these skills can be transferred into school life, home life and other clubs and hobbies we might have. The children loved this session and also had the opportunity to ask the players questions about what they do, asking about training, injuries, favourite games and how they feel when they play for their club.

Yesterday, class 4 had some visitors in from the Fire Service to talk about their work as Firefighters. They children found this a very valuable and informative session and learned about how to protect homes from fire and what to do in an emergency.
