Message from Mrs Crossley

The wet weather hasn't dampened our spirits at all in school this week! On Tuesday, class 4 walked up to the war memorial in Aberford for 11am to commemorate Armistice Day. This is always a very moving event to be part of and it was lovely to see so many members of the community turnout to share this moment.

On Wednesday, school governors and trustees from the academy came into school to observe collective worship. They were delighted with the children's engagement with this session and the feedback we received made us all feel very proud.

A big shout out to the writers in class one this week who came to show me their amazing writing and fantastic letter formation. It is great to see class one developing these essential skills which will stand them in such good stead for the rest of their time in school!
