Weekly Newsletter

16th January 2026

Message from Mrs Crossley

This week, children in classes 2, 3 and 4 have completed their second HSBC- Smart Money zoom lessons where each class focused on age appropriate money skills. These sessions supplement our PSHE scheme and really get the children thinking about money in a fun and exciting manner!

Class 1 children enjoyed a movement training session led by a specialist who came in to work alongside the class 1 teaching team, providing advice for classroom and outdoor provision. In Collective Worship, we are thinking about spirituality and our ACE committee and leading a project to collate the school community's ideas and understanding about this and will then be working collaboratively to embed a whole school understanding of what spirituality means to us at Aberford.

Message from the Office

Please could you ensure that the school has at least two current and up-to-date contact telephone numbers for your child. This is very important so that we are able to contact you promptly in the event of an emergency or if we need to discuss your child during the school day.

If you have recently changed your telephone number or email address, please update your contact details as soon as possible via the Arbor app. Keeping this information accurate helps us to maintain effective communication with parents and carers.

If you experience any difficulties updating your details on Arbor, please contact Mrs Goddard by sending a message on Dojo, who will be happy to assist you further.

Attendance this week

Whole School	98.46%
Class 1	97.60%
Class 2	98.89%
Class 3	98.15%
Class 4	99.18%
