## Weekly Newsletter

### 19<sup>th</sup> January 2024

#### Message from Mrs Crossley

I have had lots of visitors to my office this week to show me their super work and it's been lovely to see how confident our children are in telling me what they've learned and how they know they did well. I'm going to have to buy more reward stickers soon!

On Monday, Father Peter came into school to take Collective Worship and talk to the children about the new year. Today, our Ace Committee took their second Celebrations Assembly, sharing the achievements of all our children. They are really improving in their presentation skills and make this a welcoming and positive time for everyone, living out of school vision:

*We respect each other and are proud of each other's achievements. We foster a love of learning and a determination to embrace new challenges. We are creative and enthusiastic in all of our teaching and learning and work together in a safe and happy environment, with Christian values at the heart of all we do.*

#### Did you know?

##### Computing

This week saw the return of Aberford's KS2 computing club!

Last night the children used Scratch to create their own quiz using coding blocks.

Over the next few weeks we are going to learn how to use Green Screen. We are then going to show the staff how to use it in class!

Last week, children looked at internet safety in their computing lessons. Children in classes 2, 3 and 4 learn coding in our weekly computing lessons, taught by Mrs Sanpher for key stage 2 and Mrs Sharp for key stage 1.

#### Message from the Office

Please can you ensure that we have at least 2 up to date contact numbers for your child. If you have recently changed your telephone number or email address please can send Mrs Goddard a message on Dojo to update our records. Thank you
